"Webinar by Global Fintech Companies in Osaka to Learn about Osaka"

Program ①

4:10 pm - 4:40 pm

Pitches by Osaka-based Fintech Companies

~Solutions to Global Social Issues by Osaka-based Company~

Program ②

4:50 pm - 5:30 pm

Roundtable Discussion by Osaka-based Fintech Companies

2 Fintech companies will talk about the attractiveness of Osaka from a global perspective, including the benefits of overseas business development, their experiences, and the business environment of Osaka.

Moderator : Mr. Kishi (Managing Director, Fintech Association of Japan/
Executive Officer CFO, Sustainable Lab Inc.)

Program ③

5:30 pm - 6:30 pm

Networking/ Business matching

A separate breakout session room will be provided for each Fintech company.

※ Due to time constraints, each Fintech company will meet with up to four companies. (Priority will be given to companies with advanced reservations. If there is availability on the day of the seminar, we will arrange a meeting on the spot. However, if the limit is exceeded, we will schedule the meeting for a later date).
